AVer VB342+

All in one USB 4K UHD Huddle Room Camera and Audio

The VB342+ makes group video calls easier and more efficient, delivering exceptional audio and video quality for enterprises. It captures the room with a 120° FOV multi-glass lens that features a motorized 180° pan and 105° tilt view for a wider perspective than ever. No more concern about where your seat is located.

Alle priser er ekskl. moms og levering. Vi tager forbehold for tastefejl og udsolgte varer. Kampagnen udløber 30/9-2020
